G. B. MACKLIN.

Nest sets of bed-room furniture of all kinds, and at low prices, at R. Rogers'. Read his advertisement.

Now that the city has sold the Gas Works there is more gas about gas on the streets than we have had in a long time.

The weather is very cool for this time of year, but notwithstanding the weather Mr. V. Berberich is still selling some beautiful spring suits. Call and see them.

The telephone line from Lexington to this city has been completed to Versailles and is in working order. From Versailles to this city it will follow the line of the Glen's Creek Pike, and as soon as the poles can be procured will be finished to this point.

Dr. J. G. Hutchitt wishes to sell his large residence on Lewis street, or exchange it for other real estate. It is conveniently located to the business portion of the city and is a very comfortable dwelling. This is a good opportunity for some one to buy a valuable piece of property.

Mr. William Malloy, of Louisville, and Miss Ellen McAuliffe, daughter of Mr. Con. McAuliffe, of this city, were married at the Catholic Church in this city, Tuesday afternoon, by Rev. Father Young, in the presence of a large assemblage of friends, and a more handsome couple has seldom stood before a minister on a like occasion in this city. The attendants were: Misses Kate McAuliffe, this city, and Lizzie Tracy of Lexington; Miss Katie Clohesy, of Lexington, and Mr. Ed. White, of Louisville; Miss Kate Shelly, of Louisville, and Mr. Keene Tremere, this county; Miss Rosa Tobin and Mr. Thos. Newman, this city. After the ceremony the bridal party repaired to the residence of the bride's father, and after partaking of an elegant dinner, left on the afternoon train for a bridal tour to Chicago and St. Louis.

The bride was attired in cream colored brocaded satin, trimmed with Duchesse lace, with bridal veil and orange blossoms.

The groom is agent of the L. C. & L. Railroad at Tenth and Maple streets, Louisville, and will make that city his home.

Matrimonial.

At the residence of Mr. L. Harris, of this city, on Sunday evening at 5 o'clock, Mr. A. Banner and Miss Hanna Shubinski, of Frankfort, Ky., were united in matrimony. The groom is a thriving young merchant of this city and the bride is the sister of Mr. C. Shubinski, formerly of this city, but now of Frankfort, Ky. We learn that the happy couple were the recipients of numerous handsome presents.—*Daily Enquirer Sun*, Columbus, Georgia, May 30th.

Mr. Amos Bradley, Rochester, N. Y., says: "As a sure cure for nervous debility and general decay of the system, I can conscientiously recommend Brown's Iron Bitters as a medicine that will give prompt relief. I do this as a duty I owe my fellow-men, being myself restored to perfect health."

We learn from several gentlemen, who have visited Lawrenceburg and heard Bro. Barnes preach, that the great evangelist will commence a series of his meetings in this city the middle of next week.

MOURNING JEWELRY.

A True Blessing.

It would indeed be a blessing to poor weak, nervous, debilitated, suffering humanity, if druggists would stop selling the many vile purgative pills and cathartic compounds advertised for the cure of liver complaint. Although they afford temporary relief, at the same time they weaken the digestive organs, and compel a continued and increasing use of the same. Sufferers from dyspepsia and liver complaint do not need a cathartic, but should use some true medicinal tonic that will strengthen the digestive organs, and heal the diseased tissues of the stomach, liver and bowels. Such a remedy is Brown's Iron Bitters, and it never fails to effect a permanent cure. If you continue to live in poor health, and are determined to die before your time, you have only yourself to blame.—*COURIER*.

WEEKLY ROUNDABOUT.

Entered at the post-office at Frankfort, Kentucky as second class mailable matter.

GEORGE A. LEWIS.

Editor and Publisher.

FRANKFORT, JUNE 3, 1882.

Berberich is the boss tailor, his suits fit nearest.

Mr. James Moore, of Belle Point, while at work upon a new house he is erecting in that place fell from a scaffold Saturday morning and broke his leg.

Mr. W. T. Ruman sold on Thursday to Mrs. W. G. Mandelr, his lot on Ann street, between the residence of his father and Gen. J. P. Nuckols, 55 by 200 feet, for two thousand dollars.

We are requested by Col. R. D. Allen, Superintendent, to invite all ladies and gentlemen to attend the commencement exercises at Kentucky Military Institute on Thursday next, the 8th inst. The exercises will begin at 9 A. M., and end at 2 P. M., and drill will begin at 12 M. and end at 2 P. M. No tickets of invitation to the commencement will be issued. The commencements at the K. M. I. are always very enjoyable affairs, especially to the young people, and a large number will go out from this city.

The Southern Gas Company made the following proposition to the City Council at a called meeting Monday night:

That they would give the city forty thousand dollars for the Gas Works, executing their bonds for the same running forty years and bearing six per cent. interest, none negotiable. If the city accepted they agreed to light one hundred street lamps for twenty-four dollars per annum each, which would amount to the yearly interest on their bonds; within one year lay down two miles of main pipe on the South Side of the river and erect enough street lamps to make the hundred, there being only about eighty-five now in use, and bind themselves not to charge consumers more for gas than two dollars per thousand feet for five years, after that time the rate be governed by the charges in places of similar size in the State. The matter was discussed, referred to a committee, and laid over until Tuesday night, when another called meeting was held to hear the report of the committee. On Tuesday night the matter was again taken up, and after considerable discussion the vote was taken upon accepting the proposition, when, it was decided in the affirmative by a vote of six to three, as follows: In the affirmative—His Honor the Mayor, Councilmen Bush, Luscher, Meek, Milam and Todd. In the negative—Councilmen Brislan, Mangan and Williams.

It is understood that the Southern Gas Co. is anxious that the citizens of Frankfort shall take one-half of the stock of the Frankfort Gas Works on precisely the same terms, dollar for dollar that the Southern Gas Co. takes the other half. Such of our citizens as desire to take stock on the above terms will have an opportunity to do so.

Col. Robt. W. Scott and wife returned to their home in this county on Friday of last week, from their winter sojourn near Mellonville, Florida.

A timely use of Brown's Iron Bitters will strengthen the nerves and muscles with new life and vigor, and ward off many diseases that otherwise are sure to encroach upon a weak constitution.

We call the attention of our readers to the advertisement of Mr. I. M. Church in another column. Mr. C. has one of the nearest establishments in the city, and has a complete stock of choice goods, which is offering low for cash. Call and see him.

During the wind and rain storm of Saturday evening, the rear brick wall of the livery stable of Messrs. Church Bros. was blown over upon the stable of Mr. W. S. Dehoney, crushing it to the earth and killing a fine milch cow belonging to Mr. Dehoney that was in it at the time.

Eli Jordan and Isaac Murphy, the Fleetwood trainer and jockey, left Tuesday morning for the St. Louis races. They take Mistral and some colts over there, none of them the property of Mrs. Reynolds, however, she having sold Cresote, the only horse she has started this season.

Now that the Council has sold the Gas Works, the two dollar and a half tax-payer will be minus one great cause of complaint against the present and future Councils, for according to their ideas that has always been mismanaged, and each Board has received its due proportion of their curses in consequence.

If your horse has a spavin, use Kendall's Spavin Cure. See their advertisement.

FROM A PROMINENT PHYSICIAN.
Washingtonville, Ohio, June 17th, 1880. Dr. B. J. KENDALL & Co., Gents:—Reading your advertisement in Turf, Field and Farm of your Kendall's Spavin Cure, and having a valuable and speedy horse which had been lame from spavin for eighteen months, I sent you for a bottle by express, which in six weeks removed all lameness and enlargement, and a large spint from another horse, and both horses are today as sound as colts. The one bottle was worth to me one hundred dollars. Respectfully yours,
H. A. BURTON, M. D.

Morrill & Co., Louisville, Ky.:—Gents: The Kendall's Spavin Cure you sent me some time ago has proved invaluable in all cases for which I used it: Sprains, sore back, galled shoulders, windgalls and scratches. Fortunately I did not have any stock with spavins at the time.

Very respectfully,

Republicans, Attention.

The Republicans of Franklin county are requested to meet at the Police Court-room in the city of Frankfort, on Monday afternoon, June 5th, at 2 o'clock, for consultation and selection of a county committee.

JEROME WEITZEL,
Chairman County Committee.

Switzer.

Mr. P. C. Smith and wife, of Payne's Depot, paid us a visit this week.

Mr. Dick Poindexter has been in our neighborhood this week selling tombstones and monuments.

Mr. John Suter and wife spent last Sunday very pleasantly with Mr. Bristow and wife near Frankfort.

Born.—On the 25th inst., to Mr. Ben Suter and wife, a son, President Arthur. To Mr. Joe Newman and wife, a son.

Mrs. Luckett, of Frankfort, has been visiting Mr. Samuel Thomason this week, and fishing when the weather would permit.

Mr. A. B. Thomason and wife, will leave for Kansas next week, where they expect to remain for some time, and perhaps locate permanently.

Mr. William Pryor, of Bourbon, who has been visiting friends in this locality for several weeks past, returned home last Monday. The writer was sorry when he took the parting hand of our friend, and we know that some of the young ladies were very sorry also.

Last Tuesday night Hood Holland, having left his shop open all night, found next morning that his anvil had been, as he thought, stolen, but on looking around he found that it had only been removed about fifty yards away. What anyone would want with an anvil we are not able to say.

Our creek is almost out of its banks, and it looks as though the fishing was over for some time. We are sorry, because some of our young ladies like to fish so well that they will be at a loss to know what to engage at until the water gets in good order again.

Mr. John M. Lyon and Miss Ida Thomason, Mr. Will Pryor and Miss Laura Jones and others composed a party that went from this place to attend the Orphan School commencement at Midway last week. They speak very highly of the school and say that the exercises were everything that could be entertaining. After the day had been partly spent at Midway the party left for Mr. Alexander's stock farm, where they spent the remainder of the time in looking at fine stock and other grand sights too tedious to mention. The day will long be cherished in the minds of the party as one of the happiest days of their lives. May we have more days like this were the words that came from the mouth of more than one of the party.

ONCE A WEEK.

Elmville.

Business is quite lively in our village at this time.

Messrs. Wigginton Bros. are doing a lively business in the drug line.

The boquet John had Sunday afternoon was very pretty, but he did not keep it long.

Mr. W. S. McCord returned from Cincinnati Monday afternoon, where he has been to purchase a stock of goods.

Mr. Marshall Jones feels considerably relieved since friends have interfered and averted the impending law suit.

A great deal of tobacco has been set out in this section during the last week, and crops generally are looking well.

Messrs. J. R. Cohorn and J. T. Spencer have settled their little difference with a few pounds of flour in favor of the former.

Messrs. George Brink and Addison Sams, having failed to settle that little matter with a fist-cuff, will now try what virtue there is in a law suit.

Died.—Near this place, on Sunday morning, May 28th, Mrs. N. V. Johnson, after a protracted illness with consumption. On Friday, May 26th, Mr. Innis Birchfield, of the same disease.

Nothing Short of Unmistakable Benefits

Conferred upon tens of thousands of sufferers could originate and maintain the reputation which AYER'S SARSAPARILLA enjoys. It is a compound of the best vegetable alteratives, with the Iodides of Potassium and Iron,—all powerful, blood-making, blood-cleansing and life-sustaining—and is the most effectual of all remedies for scrofulous, mercurial, or blood disorders. Uniformly successful and certain, it produces rapid and complete cures of Scrofula, Sores, Boils, Humors, Pimples, Eruptions, Skin Diseases and all disorders arising from impurity of the blood. By its invigorating effects it always relieves and often cures Liver Complaints, Female Weaknesses and Irregularities, and is a potent renewer of waning vitality. For purifying the blood it has no equal. It tones up the system, restores and preserves the health, and imparts vigor and energy. For forty years it has been in extensive use, and is to-day the most available medicine for the suffering sick.
